

Practice Confidentiality Statement

We provide a confidential service to all our patients including young people under 16.

This means that you can tell others about your visit, but we won't.

The only time staff may have to consider passing on confidential information would be to protect a patient or others from serious harm.

Everybody working at this practice is bound by our confidentiality policy, which you are welcome to see.

Any breach of confidentiality would be taken very seriously.

If you have any worries about confidentiality please feel free to ask a member of staff.
